GABRIEL CILLUFFO, et al,
Claimants,

v.

CENTRAL REFRIGERATED SERVICE,
INC., CENTRAL LEASING, INC., JON
ISAACSON and JERRY MOYES,
Respondents.

(Collective Matter)

**ORDER re Claimants' Motion to
Name Additional Defendants**

The Arbitrator has received Claimants' Motion and Brief in Support of Amendment to Name Additional Defendants, Respondents' Opposition and Claimants' Reply.

Respondents Central Refrigerated Service, Inc. and Central Leasing, Inc., have been reorganized as limited liability companies under the laws of Delaware, Central Refrigerated Service, LLC and Central Leasing, LLC. Claimants seek to add the two new entities as respondents. Respondents respond that they have no objections to adding these two entities, and stipulate to doing so.

Claimants also seek to add as respondents entities that directly and indirectly own the reorganized respondents. Central Refrigerated Transportation, LLC owns the two LLCs named above. Central Refrigerated Transportation, LLC is in turn owned by Swift Transportation Co., LLC, which is itself owned by Swift Transportation Company.

This arbitration addresses disputes between Claimants and companies they had agreementst with, and now their successors. Although non-signers of an arbitration

agreement may be brought into an arbitration under certain circumstances, the Arbitrator concludes that there is no reason to do so here. Claimants' claims may be fully addressed without adding the parent entities as parties to this arbitration. This conclusion is not intended to foreclose a future claim that the parent entities may be liable if their subsidiaries are unable to satisfy claims against them. Any such claims are not yet ripe. Therefore,

IT IS ORDERED granting Claimants' Motion to and Brief in Support of Amendment to Name Additional Defendants, in part, adding Central Refrigerated Service, LLC and Central Leasing, LLC as respondents in this matter.

IT IS FURTHER ORDERED denying the Motion as to any other entities.

DATED: March 11, 2015.
