CONSENT TO SUE FORM..... PAGE 8

BASIC INFORMATION

1. Why did I get this notice?

You received this notice because Northern Dutchess' records show that you currently work, or previously worked, for NDP as a paramedic or EMT. This Notice explains that the Court has allowed, or "certified," a class action and a collective action lawsuit that may affect you. It also explains your legal rights and options for the federal and state law parts of the case and what you can do before the Court makes a final decision on the case.

2. What is this lawsuit about?

This lawsuit is about whether NDP violated federal law by failing to pay paramedics and EMTs for all the hours they worked doing mandatory pre and post shift stocking, restocking, inspections and paperwork ("overtime policy claims"), and by imposing a time rounding compensation rule that operated to the disadvantage of paramedics and EMTs ("rounding policy claims"). This lawsuit is also about whether the rounding policy claims violated state law. NDP denies that it did anything wrong and says that its pay practices were legal under the federal Fair Labor Standards Act and under New York State Labor Laws. You can read the Plaintiff's Complaint at:

http://getmansweeney.com/wp-content/uploads/2011/09/Complaint_Northern_Dutchess.pdf

On December 19, 2012, Honorable Cathy Seibel conditionally certified a collective under for Plaintiff's overtime and rounding policy claims under the Fair Labor Standards Act. Judge Seibel also certified a State class action for Plaintiff's rounding policy claims under the New York State Labor Law.

The lawsuit has two parts: a federal part known as a "collective action" and a state part known as a "class action." What you have to do for each of these parts is explained below.

3. Will I have to pay anything to join this case?

No. Plaintiffs' attorneys are handling this case on a contingent fee basis and you do not have to pay anything to join the case. If the Plaintiffs are successful, the law requires Defendants to pay for Plaintiffs' reasonable costs and fees and the Court will determine how much Defendants will have to pay. If Plaintiffs are not successful, there will be no charge.

4. Can anyone retaliate against me if I join this case?

No. Federal and state law prohibits anyone from taking any action to harm you for participating in this case. NDP will not retaliate against anyone who participates.

HOW TO PARTICIPATE IN THE CASE

5. How do I join the Collective Action?

This Collective Action is brought for NDP paramedics and EMTs **who choose to join the case** and who worked for NDP after September 20, 2008.

To become part of the Collective Action part of the case, you must fill out and mail, email, or fax the “Consent to Sue” form enclosed with this Notice to Class Counsel no later than April 21, 2013. See paragraph 12 for more details.

6. Are former employees eligible to join the Collective Action?

Yes. Former NDP paramedics and EMTs are able to join in the Collective Action as long as they were employed by NDP after September 19, 2008 and file a Consent to Sue form to join the lawsuit.

7. Are current employees eligible to join the Collective Action?

Yes. Current NDP paramedics and EMTs are able to join in the Collective Action as long as they file a Consent to Sue form by April 21, 2013.

8. How do I join the Class Action?

All paramedics and EMTs who worked for NDP after August 15, 2005 are part of the Class Action unless they send a letter asking to be excluded. This written request to be excluded from the Class Action must be sent to the Plaintiffs’ lawyers, by either mail, email, or fax, no later than April 21, 2013.

9. Are former employees included in the Class Action?

Yes. Former Paramedics and EMTs who worked for NDP after August 15, 2005 are Class Members in the Class Action unless they ask to be excluded.

10. Are current employees included in the Class Action?

Yes. Current paramedics and EMTs who are working for NDP are Class Members in the Class Action unless they ask to be excluded.

11. What if I am still unsure about whether to participate?

If you are still not sure about whether you are, or want to be included, you can get free help by calling the lawyers in this case, at the phone number or address listed in question 17 below.

YOUR RIGHTS AND OPTIONS

You have **two** important decisions to make now. You must decide whether to join the Collective Action (federal) part of the case. You must also decide whether to exclude yourself from the Class Action (state) part of the case.

12. How do I join the Collective Action?

To become part of the Collective Action part of the case, you must fill out and mail, email, or fax the “Consent to Sue” form enclosed with this Notice to Class Counsel no later than April 21, 2013.

THE LAWYERS REPRESENTING YOU

14. Do I have a lawyer in this case?

The Court has decided that Dan Getman and Matthew Dunn, lawyers at Getman & Sweeney, PLLC, are qualified to represent you and other NDP paramedics and EMTs in the Class Action and Collective Action. This law firm is referred to as “Class Counsel.” They are experienced in handling similar cases against other employers. More information about this law firm, their practice, and their experience is available at www.getmansweeney.com.

15. Should I get my own lawyer?

You do not need to hire your own lawyer because Class Counsel is working on your behalf. But, if you want your own lawyer, you will have to hire that lawyer to appear on your behalf, at your own expense.

16. How will the lawyers be paid?

Class Counsel are being paid on a contingency fee basis, which means that if there is no recovery to the Plaintiffs, there will be no attorney's fees. If there is a recovery, Class Counsel may receive a part of any settlement obtained in an amount that the Court determines to be fair. Under the state and federal laws at issue in this case, the Defendants are required to pay reasonable attorneys' fees and costs if Plaintiffs are successful.

17. How do I contact the lawyers representing the Class in this case?

You may contact Dan Getman (dgetman@getmansweeney.com), Matthew Dunn (mdunn@getmansweeney.com), or paralegal Kathy Weiss (kweiss@getmansweeney.com) at Getman & Sweeney, PLLC, 9 Paradies Lane, New Paltz, NY 12561, (845) 255-9370, if you have any questions about the case and the procedures discussed in this Notice.

HOW WILL THE CASE BE DECIDED?

18. How and when will the Court decide who is right?

If the case isn't resolved by a settlement, Class Counsel will have to prove the Plaintiffs' claims at a trial. The trial date has not yet been set. Prior to trial, there will be a "discovery" phase during which both sides will exchange information.

Judge Cathy Seibel is overseeing this lawsuit. If the case goes to a trial, Judge Seibel will hear all of the evidence and reach a decision about whether the Plaintiffs or the Defendants are right about the claims in the lawsuit. There is no guarantee that the Plaintiffs will win, or that any NDP paramedics and EMTs will get any money or benefits from the Class Action or Collective Action.

19. Will I have to come to the trial?

Most cases do not go to trial, but some do. If this case does go to trial, you may need to attend the trial. At trial, Class Counsel will present the case for the Plaintiffs, and the Defendants will present the defenses. Some of the NDP paramedics and EMTs who file Consents to Sue in the Collective Action may be required to come to the Collective Action trial. Prior to trial, those paramedics and EMTs may also have to respond to written questions, produce documents or testify at a deposition.

20. Will I get money after the trial?

There is no certainty that the Plaintiffs will win this case. But, if you join the collective action or do not exclude yourself from the class action, and the Plaintiffs obtain money or benefits as a result of the trial or a settlement, you will be notified about how to claim your share of a judgment.
